VICINO TABLE — FOSTER + PARTNERS 2015

1—
2

As in all Foster + Partners designs, the hi-tech component is essential for its development. The steel frame, conceals a sophisticated mechanism for the traverse movement of the slim but structurally effective marble or wood table tops. A perfectly designed structure for a highly contemporary project.

FEATURES

Small table with a metal structure that holds two shelves: a fixed lower shelf and a swivel upper top.
